Thank you so much for the invitation.

I would love if possible to be able to bring two other Sierra Club folks — Neil Carman and Davorah Ancel — but if that is too many let me know.

I would prefer Tuesday as I have a members meeting for another organization on Monday.

I could possibly make Monday work but do prefer Tuesday. Thanks again.

I would like to invite you to come meet with me, our management team and staff involved in Hurricane Harvey response next week for an update and to discuss it further. My schedule is packed, but I am available at two times to meet. They are:
Monday, 9/11 at 9:30 AM or Tuesday, 9/12 at 10:30 AM.
You are welcome to bring others as well. We will have to go with the date that works for the majority of the invitees.

Please let us know if you are able to attend and if you will be bring someone with you.

Please let us know if you have any questions.

Thanks,
Richard
